## President's Message

Welcome back! I hope you enjoyed the glorious summer we had. It's hard to believe that it's almost over – where does the time go! I guess that means we're busy and enjoying ourselves.

I hope that the coming year will also provide you with many opportunities to enjoy yourself and be busy. We have an interesting programme scheduled for you and I'm sure the various interest groups also have a year full of motivating and exciting activities.

This summer I attended my first CFUW AGM in Victoria. The venue was beautiful and the meeting was most informative. Thank you for the opportunity to represent you at this event. Read my report on the CFUW for more information.

This year's Convivium will be held at the **Royal St-Lawrence Yacht Club** and I hope you will find the event enjoyable as you reconnect with old friends and meet new ones. And there will be a special draw - the **Thomas More Institute** is offering a bursary for one of our members to attend a course. Check out the "Adventure for Your Mind" column for more details.

We are still searching for people to take on the positions of **CFUW Liaison** and **Treasurer**. Please contact myself or Heather Hamilton if you are interested or if you have any questions about these roles.

I look forward to an exciting year – my first as your President. If you have any questions, comments or suggestions for improving our Club, please let me know. See you in September.

## Membership

It has been an amazing summer. Whether you spent it lounging in your backyard or at high altitude lazing by a lake or trudging the cobblestones somewhere to soak up history, I hope that you had a wonderful time. The batteries have been recharged and now it's time get back to our routines.

In taking over the role of Membership Chair I am fortunate to be able to look to the two most recent holders of that post for guidance. With their help I'll be able to keep their legacy going.

Sixteen years ago, former president Louise McLeod created the Club's first membership database. Over the years information had been added for the 'connexions' pages but outdated information was not always removed. With the tools available today it is now easier to build and update a database than ever, so we will be building a new membership database.

By now all members should have received a letter from Gilda or an email from me requesting that the **new Membership Application** be completed. Please do so as soon as possible as this information will be the cornerstone of the new database. If you think that your computer or your computer skills are not up to the task, try the buddy system to get help or invite a few friends to a form-filling coffee party.

**Membership dues of \$95 are now payable.** Payment in full is preferable, however we will accommodate those who wish to make two payments - one cheque of \$50 dated no later than October 15 and one of \$45 dated January 15, 2013. **Hille Viires** and **Anne Altsaar** will be at the Convivium to collect your cheques; however if you use one of the options suggested on the application form you'll have more time to socialize and sign up for Interest Groups.

Your guests are welcome at the Convivium. Please make sure that they reserve and make payment as indicated elsewhere in this newsletter. I will be at the Membership table to provide them with information about the Club. I'll be at the Convivium. Will I see you there? Until then

**Connie Ellis**

### ***BIG SISTERS WANTED***

Are you a caring and kind individual?

Are you ready to introduce a new member to the Nuts and Bolts of our Club?

Are you willing to help her experience our Club fully?

If yes, then please call or email me to confirm your status as **The Ideal Big Sister**

### **President's Report on the CFUW AGM held June 22-24, 2012 in Victoria, B.C.**

Several hundred CFUW members met in Victoria this past summer. This was my first CFUW AGM and I was very impressed with the calibre of those attending.

Chief Dan Thomas welcomed us on behalf of the Esquimalt Nation and wished us a successful meeting. This was followed by a welcome from Ida Chong, B.C. Minister of Community, Sport and Cultural Development, who also brought greetings from the Premier of BC. Ms. Chong recognised CFUW's active involvement in scholarships – and the role these scholarships, grants and bursaries play in making people's dreams possible. She noted that the Victoria Club was founded over 100 years ago by women who had a vision – she challenged the group to think about what our vision is for the next 100 years.

This past year, Clubs raised over \$9,000 for CFUW's International Women's Day support of CARE and its Maternal and Child Care project. This money helped CARE provide life-saving maternal and perinatal healthcare to women and children in developing countries.

It was also announced that in the past year, local clubs of the Canadian Federation of University Women (CFUW) awarded over one million dollars in bursaries and scholarships to help women pursue post-secondary education. I was quite impressed by the amount of money some of the smaller clubs raised to provide women with financial assistance to further their education.

In addition to the funds raised and distributed on a local basis, CFUW also gave \$89,000 for 15 fellowships and awards through its National Trust. This funding is available on an annual basis to Canadian women studying at the graduate level at home and abroad. At this year's AGM, over \$10,000 was donated to CFUW's Charitable Trust through its silent auction and other donations.

The following resolutions were adopted at CFUW's 2012 Annual General Meeting:

- Retention and Promotion of Women in Skilled Trades and Non-Traditional Occupations;
- Climate Change: Mitigation, Adaptation and the Inclusion of Women;
- Toward a Mental Health Strategy for Canada;
- Full Accessibility and Barrier-Free Environments for Persons with Disabilities;
- Ensuring Food Security in Canada.

The revised CFUW Constitution and By-laws were approved by the Club delegates. Under the Not-For-Profit Corporations Act, CFUW was required to review and update its constitution before 2014.

After much debate, Club delegates voted in favour of the \$10 increase in CFUW dues to take effect in 2013-14.

Catherine Bell, Treasurer of the International Federation of University Women, spoke on the various initiatives undertaken by IFUW. There are 62 national associations who are members of IFUW, CFUW being the largest. One of the reasons why CFUW was first founded in 1919 by a group of women in Winnipeg was to help form IFUW. IFUW is represented in 15 United Nations sections, for example the ILO (International Labour Organization). CFUW's resolution on non-state torture (passed at last year's CFUW AGM) was presented to the United Nations this past year. IFUW has been chosen to be a representative on one of the UN high level round tables on the theme of Access and Promotion of Education for Women and Girls.

## CFUW News - continued

In addition to working at various international levels, IFUW also works at promoting education for women and girls in various countries around the world. It has also established a Human Rights Fellowship worth 20,000 SF to promote the use of human rights. It is continuing its advocacy initiative in support of Afghan women. Pencils for Pakistan is another initiative undertaken by IFUW to provide textbooks and writing supplies to girls in Pakistan. IFUW is also participating in the Japanese Association University Women's Disaster Relief Fund to sponsor three women who lost families during the tsunami disaster to continue their education. For more information on IFUW, visit their site: <http://www.ifuw.org>.

Another guest at the AGM was Florine Swanson, President of Women Graduates USA. This group is comprised of 70 member clubs who did not break away from IFUW. They are focusing on education of women and children, especially immigrants, as well as the prevention of trafficking of women and children. Women Graduates USA is working with CFUW on joint advocacy programmes that affect both Canada and the United States. Their AGM will be held in September in Philadelphia and their incoming President will be Louise McLeod, a former President of our Club. Visit their site for more information: <http://www.wg-usa.org>.

I was quite impressed with what CFUW and IFUW are doing on behalf of women everywhere. Some CFUW Clubs are quite active in their community and are involved in many different initiatives. Sadly, we are all facing the same issue of attracting new and younger members. I came away from the AGM with a renewed respect for women, the CFUW and the work undertaken by us all.

The next CFUW AGM will be held in Saskatoon in July 2013. The IFUW Triennium will be held in August 2013 in Istanbul.

## CFUW – What We Do Best

This list of 10 Things CFUW Does Best was presented by the VP Communications at the 2011 AGM.

1. We have welcoming, inclusive Clubs that support education, life-long learning and research.
2. We promote equality and justice for girls and women.
3. We build partnerships and work for social change on many fronts.
4. We encourage our members to use their education and training to serve in their communities.
5. We raise millions of dollars across Canada to fund fellowships, scholarships and awards.
6. We act independently as a national, self-funded, non-governmental, and non-partisan organization.
7. We speak with a voice that is heard by governments.
8. We identify emerging issues for action.
9. We encourage leadership and fellowship among our members.
10. We work to do all of these on an international basis through our active participation in IFUW.

### **But there are two things we don't do well:**

1. We don't always think about how much CFUW adds to our life.
2. We don't let other women know what a good thing we have going.

So think about all the good things CFUW & MLUWC add to your life: the good friends, the many interest groups, the speakers at our meetings, and helping women everywhere through the advocacy we support. Then do another woman a favor - tell her about CFUW & MLUWC and bring her to join us this fall!

## Scholarship Committee

The **2011-2012 Scholarship Committee** has awarded the following scholarships:

**2 Margaret Manson Scholarships**

Clémence Briand-Racine - McGill Macdonald Campus  
Mahya Dehbozorgi - École Polytechnique U of M

**Amy Williams Scholarship**

Melissa Canales-Pannese  
entering Concordia

**Memorial Scholarship**

\$3,500  
Michaela Dickey  
Schulich School of Music - McGill University

**Place Cartier:** 10 bursaries

**Centre Jeanne Sauvé:** 10 bursaries

This past June, for the very first time, the Foundation of CEGEP John Abbott College hosted a Bursaries and Awards Ceremony to honour the generosity of the donors and the achievements of the student recipients. Frances Lortie and I attended on behalf of the MLUWC Scholarship Committee; we had the opportunity to publicly congratulate our Amy Williams Scholarship recipient, Melissa Canales-Pannese.

Also, in June, I had the pleasure of attending the Place Cartier Graduation and a special reception at Centre Jeanne Sauvé. The Administration and the students of both establishments asked me to express their sincere appreciation of the increase in the value of the bursaries presented to them.

Our Margaret Manson, Amy Williams and Memorial Scholarship recipients have been invited to attend our General Meeting, on October 1, where they will have the opportunity to meet and thank you in person. This is always a meeting that our members enjoy, so, please, make an effort to come out to this meeting. On behalf of the Scholarship Committee, I would like to thank the MLUWC Executive, Scholarship Fund Committee, Fundraising Committee and all of our members for their ongoing support of our scholarship programme. Accompanying this report is a thank-you letter that I received from Melissa Canales-Pannese. With her permission, I am reprinting it here in order to give all of you a chance to read what our scholarships mean to our recipients.

**Barbara Armbruster**  
**Scholarship Committee Chair**

## Fundraising

The Fundraising Committee has met twice this summer, and presently our focus is to avoid any conflict between our fundraising events and the dates of other events in the various interest groups. I am happy to inform you that **Thursday May 2, 2013** has been confirmed for our **Games Day Luncheon**. We will have more information to convey to you at the Convivium.

**Nicole Awad**  
**Fundraising Chair**

## An Adventure for your mind? It's in the Hat!

Would you like to win a lively excursion for your mind? It's possible at this year's Convivium. What's on offer? A bursary with a value of about \$320.00. What would you win? Participation in two 12 week discussion series, or one of 24 weeks considering a topic of your choice. You would join a lively group considering questions such as:

- **Calamity in a Country House:** Aristocrats are making a comeback in *Downton Abbey*. Why are viewers spellbound by calamity in English aristocratic country houses so many decades ago? To gain a surer perspective on the mood in these houses at this time of war and social change, this course offers works that explores its grandeur and grief... Isabel Colgates' *The Shooting Party* among others, along with contemporary analysis by historian Simon Schama, by Janes Enton, M. Girouard and L.James.
- **Tsarist Russia: Mystics, Poets, Romanovs and Revolutionaries:** What is there in the soul of Russia that is best described by 19<sup>th</sup> Century Russian writers? Readings include excerpts from *Natasha's Dance, a Cultural History of Russia* by historian O. Figes, and from nineteenth century novelists such as Gogol, Turgenev, Tolstoy. The final century of Russian Romanov rule, from 1812 to 1917, will be examined from historical, literary, philosophical and spiritual perspectives.
- **Has Imperialism a Bright Side?** Seen essentially as the exploitation of the weak by the strong, imperialism is fashionably decried in our time. But might it not have had good effects rivaling the bad? What about the reverse benefits: the Romans from the Greeks, the British from India? Can a People gain advantages from the rule of others? How much is today's Third World misery the fault of empire? The readings, chosen by an eminent historian, look interesting and challenging.
- **Many others, in currently relevant areas of traditional liberal enquiry:** philosophy, literature, classical culture, history, natural and social sciences, theology, music, art, opera, film and philosophy of mathematics.

In a new initiative, **The Thomas More Institute** offers this bursary for our pleasure and to broaden awareness of its outstanding discussion series. These are presented fall, winter and spring, both on the West Island and in the City.

What do we know about the TMI? The Institute has been engaged in life-long learning in the liberal arts for decades. Its guiding theme, **Curiosity at the Center of one's Life**, defines its approach: university level discussion of timely and fascinating issues for inquiring minds. Skilled course designers prepare a feast of questions, readings, activities and films to challenge and interest. The method is Socratic: questions guide the exchanges. A surprising and interesting range of opinions emerge.

**Dr. Heather Stephens, the Institute's Registrar, will be our guest to tell us a little more, to answer our questions and to draw the winner's name out of The Hat.**  
**If you are tempted, put in your name. You may win something quite exciting.**

## 2013 Pot Luck Dinner News

Although January 14, 2013 may seem like it is a long way off, we are counting on your participation to make the annual Pot Luck Dinner an enjoyable evening. These Dinners offer an opportunity to meet others from the club in a relaxing environment while enjoying delicious food, some wine, and great conversation. The Dinners take the place of the January meeting.

We will have sign up sheets available at the September 11, 2012 Convivium where you can indicate how you want to participate. To coordinate the Pot Luck Dinners we need Hostesses and Assistant Hostesses. The hostess shares her home, dinnerware and supplies the tea and coffee. The assistant hostess coordinates the meal by contacting the guests to ask what they wish to bring so that the meal is well balanced, as well as helping the hostess on the evening of the Dinner.

We are hoping that you will take advantage of this great opportunity to meet new friends while enjoying a wonderful evening. Mark your calendars for **January 14, 2013** and we look forward to helping you sign up at the Convivium. If you have any questions, do not hesitate to call us.
